

EIGHTEENTH PUBLIC SALE OF **RARE COINS**

to be Sold by Mail Auction
to the Highest Bidder Without Reserve
Thursday, December 31, 1925, by
M. H. BOLENDER
Rock City, Illinois

To Collectors:—Here is a sale that you will not want to miss. There are many desirable coins and bills as well as several large lots where opportunity knocks. Forward your bids promptly as the time before the sale is limited and mail is slow because of the holidays. Send in your bids at your first convenience. Then they will be certain to reach me, and remember that first bids received have the preference in case of a tie. If your bids are mailed after Christmas you should use my address at Orangeville, Illinois; before Christmas, address Rock City, Illinois. Of course, either address reaches me, but I am trying to give the best service.

Collectors of experience have found that not all dealers classify the condition of coins alike. I believe in holding the standards of condition high and shall deem it a favor if you will return at my expense anything which does not appear as described.

Here are just a few reasons why you should make your bids liberal:

(a) No commission charged for faithfully executing your bids.

(b) If you have established credit or send references you have 30 days time to pay for coins.

(c) If no bids are received from you, your name may be dropped from my mailing list which is growing too large due to success of past sales.

(d) Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

(e) If goods are not satisfactory (you are to be the judge), you are at liberty to return them at my expense without any danger of offending. This is a mighty strong guarantee.

Many letters are received similar to this:

Pittsburgh, Pa., Nov. 9, 1925.

Dear Mr. Bolender:

Enclosed find a list of bids for your seventeenth mail auction sale. I have been successful in some of your previous sales, and must acknowledge that I admire your straightforward and honest methods in doing business.

Very truly yours,

Dr. J. L. Zugsmith,
614 Penn Ave

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.
